Sir:

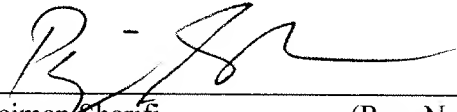

Pursuant to 37 CFR 1.313(c)(2), Applicants respectfully request that this application be withdrawn from issue for consideration of a Request for Continued Examination ("RCE") in compliance with § 1.114. Additionally, Applicants request that this application be withdrawn from issue so that a Supplemental Information Disclosure Statement ("IDS") may be filed to submit certain references for the Examiner's review and consideration. These references were recently brought to our attention as being cited in a Supplementary Search Report by the European Patent Office in related European Patent Application No. 01968235.0.

Applicants submit herewith a RCE, a Supplemental IDS, and a Form PTO-1449 listing the newly cited references. As the Applicants have already paid the issue fee in this application, an expedited handling of this petition is respectfully requested. Please process the Supplemental IDS and Form PTO-1449 in due course after this petition is granted.

The fee which is believed to be due for the submission of this petition is \$130. Please charge any and all required fees to Winston & Strawn Deposit Account No. 501-814.
